Eighth Intertribal Gathering a Success

The Friends of the Intertribal Gathering and the Panhandle RC&D wish to thank the following organizations and people for helping to make the Eighth Annual Intertribal Gathering a Success. We estimate that approximately 3,000 attended the gathering with around 600 people attending each session held June 8, 9 and 10. There were 24 Dance categories with 70 dancers participating. Not only was this one of the largest attendance for the Intertribal Gathering but we had 22 tribes represented in the Dance Contest. Dancers came from Colorado, Nebraska, New Mexico, South Dakota, Montana, and Wyoming. Five Drums provided the beat with song for a successful Gathering. Those drums are as follows: Host Drum Sons of the Oglala, Honor Drums Pawnee Spotted Horse and Creek Side. Guest Drums were Denver Indian Singers, White River Crossing and Northern Cheyenne.
